How GBC Italia is Supporting the Move Towards Green Public Procurement

Giuliano Dall’O’
Presidente GBC Italia
How GBC Italia is Supporting the Move Towards Green Public Procurement

The Context: a complex vision of the Green Building

How We Grow the Sustainable Building Market

EU approach to sustainable building performance reporting:
Level (s) as a common language to encourage mainstream market Towards better practices.

National Action Plan for Green Public Procurement (GPP) - Minimum environmental criteria for public tenders: a mandatory requirement for Italy (CAM)
How GBC Italia is Supporting the Move Towards Green Public Procurement

Italian Sustainable Environmental Strategy

Italy is the first EU Member State to adopt a national decree on the Green Public Procurement (Communications from the European Commission COM (2008) 397)

Adopting a Green Public Procurement (GPP policy), green public purchase, means incorporating environmental considerations into Public Administration purchase processes
How GBC Italia is Supporting the Move Towards Green Public Procurement

What GBC Italia is doing:

A Sustainable Environmental Strategy to transform and grow the market
How GBC Italia is Supporting the Move Towards Green Public Procurement

What GBC Italia is doing:

Involve stakeholders in a common project

- Design and Planning
  - Contractors
  - Investors
  - Public Admin.
- Construction (Renovation)
  - Designers
  - Engineers
  - Architects
- Management
  - Manufacturers
  - Builders
  - Real Estate
  - Installers
  - End Users
  - RE Services
How GBC Italia is Supporting the Move Towards Green Public Procurement

What GBC Italia is doing:

Monitoring the market of green buildings

Report of Italian green buildings 2016

Number of LEED Projects registered in Italy between 2008-2016

Number of LEED Projects per protocol family
How GBC Italia is Supporting the Move Towards Green Public Procurement

Green Building Rating Systems

The key to support the move towards Green Public Procurement in the building sector
How GBC Italia is Supporting the Move Towards Green Public Procurement

Protocols VS Minimum Environmental Criteria (CAM)

LINEE GUIDA CAM EDILIZIA
(Guidelines for minimum environmental criteria for public tenders)

CAMs are consistent with the principles underlying the LEED and GBC protocols;

Reference credits can be a good guide to identifying the strategies to be adopted to meet the required requirements.
How GBC Italia is Supporting the Move Towards Green Public Procurement

How GBC Italia is supporting LEVEL(S)

Working Group LEVEL(S)
(Objective: Identifying the common elements between Protocols, CAM and LEVEL(S)’s indicators)
How GBC Italia is Supporting the Move Towards Green Public Procurement

The strategic role of GBC Italia: a connection point

GBC Italia is the Connection Point of all
has a leadership role in the sustainable construction market by becoming the reference partner for private operators but also and above all for national and international institutions.
Thanks for your attention
